Committee Substitute No. 1 - Messer
Substitute the following for **S.B. 636**:

A BILL TO BE ENTITLED AN ACT

relating to the regulation of real estate brokers and salesmen, to certain duties of the Texas Real Estate Commission, and to the appointment, membership, and powers and duties of a Texas Real Estate Broker Lawyer Committee; amending Section 16 and Subsection (d), Section 1, The Real Estate License Act, as amended (Article 6573a, Vernon's Texas Civil Statutes).

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subsection (d), Section 1, The Real Estate License Act, as amended (Article 6573a, Vernon's Texas Civil Statutes), is amended to read as follows:

"(d) No real estate salesman shall accept compensation for real estate sales and transactions from any person other than the broker under whom he is at the time licensed or under whom he was licensed when he earned the right to compensation."

SECTION 2. Section 16, The Real Estate License Act, as amended (Article 6573a, Vernon's Texas Civil Statutes), is amended to read as follows:

"Section 16. (a) A license granted under the provisions of this Act shall be suspended or revoked by the commission on proof that the licensee, not being licensed and authorized to practice law in this state, for a consideration, reward, pecuniary benefit, present or anticipated, direct or indirect, or in connection with or as a part of his employment, agency, or fiduciary relationship as a licensee, drew a deed, note, deed of trust, will, or other written instrument that may transfer or otherwise affect the title to or an interest in land, except as provided in the subsections below, or advised or counseled a person as to the validity or legal sufficiency of an instrument or as to the validity of title to real estate.

"(b) Notwithstanding the provisions of this Act or any other law, the completion of contract forms which bind the sale, exchange, option, lease, or rental of any interest in real property by a real estate broker or salesman incident to the performance of the acts of a broker as defined by this article does not constitute the unauthorized or illegal practice of law in this state, provided the forms have been promulgated for use by the Texas Real Estate Commission for the particular kind of transaction involved, or the forms have been prepared by an attorney at law licensed by this state and approved by said attorney for the particular kind of transaction involved, or the forms have been prepared by or required by the property owner.

"(c) A Texas Real Estate Broker-Lawyer Committee is hereby created which, in addition to other powers and duties delegated to it, shall draft and revise contract forms capable of standardization for use by real estate licensees and which will expedite real estate transactions and reduce controversies to a minimum while containing safeguards adequate to protect the interests of the principals to the transaction.

"(d) The Texas Real Estate Broker-Lawyer Committee shall have 12 members including six members appointed by the Texas Real Estate Commission and six members of the State Bar of Texas appointed by the President of the State Bar of Texas. The members of the committee shall hold office for staggered terms of six years with the terms of two commission appointees and two State Bar appointees expiring every two years. Each member shall hold office until his successor is appointed. A vacancy for any cause shall be filled for the expired term by the agency making the original appointment. Appointments to the committee shall be made without regard to race, creed, sex, religion, or national origin.

"(e) In the best interest of the public the commission may adopt rules and regulations requiring real estate brokers and salesmen to use contract forms which have been prepared by the Texas Real Estate Broker-Lawyer Committee and promulgated by the Texas Real Estate Commission; provided, however, that the Texas Real Estate Commission shall not prohibit a real estate broker or salesman from using a contract form or forms binding the sale, exchange, option, lease, or rental of any interest in real property which have been prepared by or required by the property owner. For the purpose of this section, contract forms prepared by the Texas Real Estate Broker-Lawyer Committee appointed by the commission and the State Bar of Texas and promulgated by the commission prior to the effective date of this Act shall be deemed to have been prepared by the Texas Real Estate Broker-Lawyer Committee. The commission may suspend or revoke a license issued under the provisions of this article when it has determined that the licensee failed to use a contract form as required by the commission pursuant to this section."

SECTION 3. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended.

Floor Amendment No. 1 - Toomey

Amend C.S.S.B. 636 in the following manner:

(1) by striking line 17 and 18, page 2 and substitute in lieu thereof the following:

"transaction involved, or the forms have been prepared by the property owner or prepared by an attorney and required by the property owner."

(2) by striking line 18, page 3, and substitute in lieu thereof the following:

"which have been prepared by the property owner or prepared by an attorney and required by the property owner. For"

Amend **S.B. 1236** by adding a new section 4 to read as follows and renumbering subsequent sections:

SECTION 4. Amend Subchapter E, Water Code, by adding a new Section 15.3061 and amending Sections 15.301, 15.322 and 15.323 to read as follows:

Sec. 15.301. **FUND CREATED.** There is created a revolving fund in the state treasury to be known as the storage acquisition fund which is to be funded by direct appropriations and by transfers from the fund at the discretion of the board.

Sec. 15.3061. (a) If the board makes the findings required in Section 15.306 and if money is not available in the fund, the board shall prepare and submit with its biennial budget request to the Legislative Budget Board and to the presiding officers of each house of the legislature, a list of all projects approved by the board under this subchapter.

(b) The list of approved projects submitted to the Legislative Budget Board and to the presiding officers of each house of the legislature shall include relevant information relating to each project and recommendations relating to the priorities for funding.

Sec. 15.322. DISPOSITION OF PROCEEDS. The money received from any sale, transfer, or lease of facilities, or in the case of a sale or transfer involving revenue bonds, the money received as matured interest or principal on the bonds shall be placed in the general revenue fund ~~water assistance fund~~.

Sec. 15.323. SALE OF STORED WATER. The board may sell any unappropriated public water of the state and other water acquired by the state that is stored by or for it. The price shall be determined by the board. The money received from any sale shall be placed in the general revenue fund ~~water assistance fund~~.

The committee amendment was read and was adopted.

Senator Howard offered the following committee amendment to the bill:

Amend Section 1, **S.B. 1236** by Howard by amending Section 15.208 to read as follows:

Sec. 15.208. APPROVAL OF APPLICATION. (a) After notice and hearing, the board, by resolution, may approve an application if, after considering the information in the application and presented at the hearing, criteria established by this subchapter, and the rules and other relevant factors, the board finds:

(1) that the bonds are being issued to finance a project that serves the public interest;

(2) that there is strong evidence and a high degree of certainty that the issuer will be able to meet its obligations under the bonds; and

(3) that an applicant proposing surface water development has the necessary water right authorizing it to appropriate and use the water which the project will provide.

(b) Before it approves an application under this subchapter, the board shall require the issuer to have in place a water conservation program to promote more efficient use of water.

(c) If the board finds that an applicant is not using water efficiently, the board may require the applicant to adopt any of the following programs that the board considers feasible:

(1) water conservation oriented building and plumbing code regulations for new buildings;

(2) retrofit programs;

(3) consumer education programs;

(4) mandatory metering;

(5) level or increasing block rate structures, seasonal peak pricing, or other rate structures and pricing policies that encourage conservation;

(6) drought management planning; and

(7) any other program that furthers conservation.

(d) The board may establish an educational and technical assistance program to assist political subdivisions in developing comprehensive water conservation programs required by this section and other sections of this code.

(e) If the issuer plans to utilize the project to furnish water or services to another political subdivision that, in turn, plans to furnish the water or services to the ultimate consumer, the requirements of the board relative to water conservation can be met through contractual agreements between the political subdivisions providing for establishment of a water conservation program and other necessary measures.

The committee amendment was read and was adopted.

Senator Brown offered the following amendment to the bill:

Floor Amendment No. 1

Amend S.B. 1236 as follows:

(1) Insert a new Section 1 to read as follows:

SECTION 1. Subdivision (6), Section 15.001, Water Code, is amended to read as follows:

“(6) ‘Project’ means any undertaking or work to conserve, convey, and develop surface or subsurface water resources of the state, to provide for the maintenance and enhancement of the quality of the water of the state, to provide flood control, subsidence control, and drainage, and to carry out other purposes defined by board rules.”.

(2) On page 2, amend lines 49-53 to read as follows:

“Section 15.102. FINANCIAL ASSISTANCE. The loan fund may be used by the board to provide loans of financial assistance to political subdivisions for the construction, acquisition, improvement, and enlargement of projects involving water conservation, water development, water quality enhancement, drainage, flood control, and subsidence control as provided [defined] by legislative appropriations, this chapter, and the board rules.”.

(3) Renumber the sections of the bill accordingly.

C.S.S.B. 895, Relating to the protection and conservation of fresh water in connection with activities associated with the exploration, recovery, and development of oil and gas.

The bill was read second time.

Senator Caperton offered the following amendment to the bill:

Amend **C.S.S.B. 895** by substituting the following for Section 3:

Sec. 27.0511. CONDITIONS OF CERTAIN PERMITS. (a) If the railroad commission receives an application for an injection well permit for a well that is to be used for enhanced recovery of oil, before a permit for the well may be granted, the railroad commission shall notify the department of the application and require the applicant for the permit to provide written information relating to the material that the applicant plans to inject into the well for enhanced recovery purposes and, if the applicant plans to inject fresh water for enhanced recovery purposes, information relating to other material available to the applicant that might be used in the alternative, and shall make the determination required by Subsection (c) and (d) of this section.

(b) Within 15 days after notification by the Railroad Commission of an application for an enhanced recovery well for which fresh water is proposed for the injection fluid, the department shall supply to the Railroad Commission information on the location and quantities of alternative materials which might be used in place of the fresh water in the proposed enhanced recovery well.

(c) On receiving the information required by Subsection (a) of this section, the railroad commission shall consider the information at the same time it considers whether or not to grant the permit, and if the applicant proposes to inject fresh water into the injection well for enhanced recovery, the railroad commission shall consider whether or not there is some other solid, liquid, or gaseous substance that is available to the applicant and that is economically and technically feasible for the applicant to use for enhanced recovery purposes.

(d) If the railroad commission finds that there is a solid, liquid, or gaseous substance other than fresh water available and economically and technically feasible for use in enhanced recovery under the permit, the railroad commission shall include as a condition of the permit, if granted, that the permittee use the other substance found to be available and economically and technically feasible and that the applicant not use fresh water or that the applicant use fresh water only to the extent specifically stated in the permit.

(e) This section does not apply to injection well permits that are in effect on September 1, 1983. If fresh water is being injected into an injection well in an enhanced recovery program that is in effect on September 1, 1983, and after that time, another substance or material is used for injection for a period of time, the injection well permit is not canceled, and a new permit under this chapter is not required if the operator plans at a later date to resume the use of fresh water for injection in that enhanced recovery program.

(f) Injection well permits for wells that are used for enhanced recovery remain in force until canceled by the railroad commission.

(g) No person may continue utilizing or begin utilizing industrial or municipal waste as an injection fluid for enhanced recovery purposes without first obtaining a permit from the department.

The amendment was read and was adopted.

On motion of Senator Caperton and by unanimous consent, the caption was amended to conform to the body of the bill as amended.

The bill as amended was passed to engrossment.
